What's Included in the Warranty:

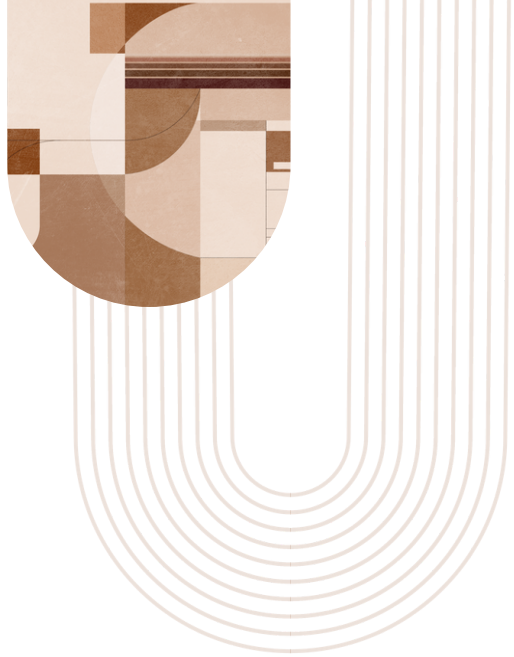

Manufacturing Defects: Any defect in the Modula Panels & Carcass, Hardware, or Accessories arising from faulty materials, design, or manufacturing processes.

Functional Failures: Failures affecting the operation of hardware components such as hinges, drawer slides, and soft-close mechanisms due to manufacturing defects.

Termite Resistance: Modula Panels & Carcass are guaranteed to be free from termite damage for 15 years. This warranty covers any structural damage caused by termites.

Water Resistance: Modula Panels & Carcass are designed to be water-resistant. The warranty covers any damage arising from water exposure, including swelling and warping for 15 years.

Modula's Standard Maintenance Service: This service includes support for any defects covered under the warranty period. Any repair or replacement will be subject to the terms outlined in this warranty.

Warranty Limitations

At Modula, we ensure premium quality products. However, the warranty does not cover:

Normal Wear & Tear: Minor scratches or scuffs due to regular use.

Misuse & Improper Handling: Damage from excessive force, unapproved cleaning agents, or improper maintenance.

Chemical Damage: Damage caused by harsh chemicals or abrasive cleaners.

Third-Party Modifications: Unauthorized modifications or repairs will void the warranty.

Force Majeure: Damage from natural disasters, pandemics, or events beyond our control.

Warranty will not be applicable if any payment is due to be received.

Service & Maintenance

To ensure that your Modula Kitchens continue to perform at their best, we provide the following service and maintenance terms:

1. 1-Year Free Service:

As part of our commitment to delivering excellent customer service, Modula offers two free service visits within the first 12 months from the installation date.

These visits include:

- Alignment of drawers, shutters, and soft-close mechanisms.
- Tightening of hardware components such as hinges, locks, and handles.
- Checking the functionality of all installed components.

Please note that cleaning services are not included in the free service visits.

2. Paid Service After 1 Year:

After the 12-month free service period, any further service visits will be chargeable at ₹1500 per visit (within a 50 km radius of the nearest Modula Experience Centre).

These services cover:

- Re-alignment of drawers, panels, and hardware.
- Minor repairs for defects arising from normal wear and tear.

3. Additional Services & Replacements:

If any repairs or replacements are required for defects not covered under the warranty (such as misuse or external factors), Modula will provide a clear estimate for the cost of replacement parts and labor. This will always be communicated transparently.
